

At SRGMedicare, we make it easy for you to understand your options and answer all of these questions and more when we sit down and work with you.

But no matter who you decide to work with, please make sure you know the answers to these questions before making any decisions related to your Medicare plans as you do not want to be stuck in the wrong plan all year.

Top ten points to consider when choosing your Medicare plan

1. What is the difference between Original Medicare and Medicare Advantage?
2. Are your doctors in the network?
3. How are your prescriptions covered?
4. What are your potential out-of-pocket costs?
5. How will my income affect what I pay for Medicare Part B?
6. All Medicare Supplement (Medigap) Plans are standardized by letter.
7. Different Insurance companies can charge different premiums for the same exact Medigap plan.
8. If I am still working, do I have to join Medicare?
9. When can I change my plan?
10. What is the best way for me to compare my coverage options?
